Dear Barry

**Membership Number: IM 2298**

Please find further details in this letter regarding your membership.

I am sending you by e-mail copies of the Memorandum and Articles of Association, ASC overview document, current Byelaws and Members Handbook. I have allocated you the temporary password **REGAN1** which will enable you to access the member section of our web-site using your username Barry\_Regan . When you first access the site please change the password to something memorable to you. You will then be able to update your profile.

The majority of communications will be made using the automated ASC web-site notification system or by direct e-mail.

We hold 'Business Group' events every couple of months with the intention of sharing knowledge and experience openly between professionals in the industry. Interaction between the speakers and those attending is very much encouraged. The underpinning aim is to share knowledge and reinforce business relationships amongst the professional community and they provide a great opportunity to follow-up with the expert speakers and to extend professional networks in a convivial setting over a pleasant lunch. You will receive timely notification from The Secretariat re ASC events.

Should you have any queries on this, or any other Association related matter, please do not hesitate to contact me as detailed above (please use The Secretariat e-mail address – [secretary@securityconsultants.org.uk](mailto:secretary@securityconsultants.org.uk) – as the 'gateway' poc).

I do look forward to meeting you at the Association's events and would encourage you to take an active part in *your* organisation.

Yours sincerely

**Ken**
